The Certified Health & Safety Consultant –

The premier certification of leading health and safety professionals.

Validate your expertise, bolster your professional image, and feel the pride and recognition associated with being one of the best!

CHSC

when these four letters follow your name, they pack a powerful message...

CHSC – the certification that messages to employers, colleagues, clients and the public that the practitioner:

- ⚡ has an advanced standard of professional qualification in Health & Safety
- ⚡ has specialized training on the practitioner's role in Law, Ethics, Consulting, and Applied Risk

CHSC – the verification that the Health & Safety Professional:

- ⚡ has pursued the skills needed to manage and lead on Health and Safety issues in his or her organization
- ⚡ adheres to a Code of Conduct that is peer administered
- ⚡ carries professional liability insurance
- ⚡ maintains the credential through current membership in the CSSE and by annual submission of proof of liability insurance

As a **Certified Health & Safety Consultant** you will:

- 🍁 communicate your reputation of excellence in the Health & Safety field
- 🍁 enhance your career growth and marketability
- 🍁 have access to preferred liability insurance rates
- 🍁 join a network of Health & Safety leaders as a CHSC in Good Standing on the CSSE website
- 🍁 display the official CHSC certificate, lapel pin and signature stamp identifying your accomplishment and pride

CHSC – it's a Powerful Message

ON THE PRINTING OF:

- 🍁 business cards and stationery
- 🍁 name and address labels
- 🍁 all your association directories
- 🍁 company newsletter articles

EMBOSSSED ON:

- 🍁 client presentations
- 🍁 thank you cards to customers

AS PART OF YOUR SIGNATURE IN:

- 🍁 email
- 🍁 inter-office memorandums
